

New College - Open Days 28th & 29th June 2022

Open Days provide you with a great chance to meet current students and staff, and really get a feel for the College yourself.

New College will be open from 10:00-16:00, with current students leading guided tours and available to answer questions.

A number of our tutors will be running subject talks in the afternoon, details of which can be found below.

If you would like to attend a subject talk, please ensure that you arrive 10 minutes before the start of your session. Our volunteers will be holding up subject signs and will take you to the correct room.

Please could all visitors to New College come to the Visitors' Entrance on New College Lane, not to the delivery entrance on Holywell Street.

We look forward to welcoming you to New College. Enjoy your day!

28th June
