## Notes for holding meetings or events in College

The Assistant Dean's permission must be obtained for any gathering of more than ten people in any College room. Staircase parties, room parties and house parties are banned.

### Gatherings in College

- i) Only members of New College may attend events. Neither University Societies nor any other outside body may hold events of any sort in New College, unless the Member is the Society's President.
- ii) Under the terms of the Licensing Act, gatherings may not be advertised publicly outside the College (this includes the internet) or the sponsoring College Society, nor may any charge be made for admission. At functions where alcohol is for sale only members of College and their *bona fide* guests may be served.
- iii) Your attention is drawn to your obligations under the Code of Practice on Freedom of Speech.

### Serving food

Food must be provided free of charge at all events at which alcohol is available. The substance and amount of free food must be in proportion to the nature of alcohol provided and the duration of the event. Food on sale must be omitted from the calculation.

### Security:

The Head Porter must be consulted about security arrangements. It should be considered, in the case of meetings, the difficulties that may be had with participants of opposing views, the possibility of gatecrashers and in the case of events where there is consumption of alcohol, drunkenness. Arrangements must be made with the Head Porter that clear directions are available at the Lodge to guests and participants. If necessary, one of the organisers must be present in the Lodge when guests or participants arrive. If the Head Porter deems it necessary, extra staff or security cover will be arranged at the organiser's cost.

### Electrical equipment

If disco or any other electrical equipment is used, then this must be inspected and approved by the Clerk of Works' department. The use of smoke vapour machines and strobe lights are strictly forbidden in College.

### Damage & Cleaning

A cleaning and repair charge may be payable to the College for any mess that requires cleaning or any damage caused to the building fabric, garden or furniture. The Junior Member responsible for booking the room will be responsible for the entire cost of the rectification of any damage caused or cleaning that is required.

### Publicity

Copies of any publicity produced for an event in a room for which permission is required - whether it be a poster, or a private booking form, or any material whatsoever - must be sent to the Assistant Dean for approval.

### Music, PA and sound levels

Any event in which there will be a PA, live music or a level of noise which is audible, outside the venue, must be clearly documented on page on the front page of this form (usually under the Equipment Section).

### Finishing times

All parties and meetings for New College members will finish at 11.00 pm; all other events, including those for societies, will finish at 10.30 pm.
